

## UF Undergraduate Research Mentors List for MCB 4905

| Department of Microbiology and Cell Science Faculty Members: |   |              |  |
|--|---|--------------|--|
| De Crecy-Lagard, Valerie                                     | Microbiology and Cell Science, Principles of Microbiology                     | 392-9416     | <a href="mailto:vcrecy@ufl.edu">vcrecy@ufl.edu</a>         |
| Foster, Jamie  | Microbiology and Cell Science, Kennedy Space Center, Astrobiology             | 321-861-2900 | <a href="mailto:jfoster@ufl.edu">jfoster@ufl.edu</a>       |
| Gonzalez, Claudio  | Microbiology and Cell Science, Genetics Institute, Principles of Microbiology | 273-8088     | <a href="mailto:cfgonzalez@ufl.edu">cfgonzalez@ufl.edu</a> |
| Gurley, William  | Microbiology and Cell Science, Molecular Genetics                             | 392-1568     | <a href="mailto:wgurley@ufl.edu">wgurley@ufl.edu</a>       |
| Ingram, Lonnie   | Microbiology and Cell Science   | 392-8176     | <a href="mailto:ingram@ufl.edu">ingram@ufl.edu</a>         |
| Johnson, Howard  | Microbiology and Cell Science   | 846-0968     | <a href="mailto:johnsonh@ufl.edu">johnsonh@ufl.edu</a>     |
| Kang, Byung-Ho   | Microbiology and Cell Science, Eukaryotic Cell Structure                      | 846-0952     | <a href="mailto:bkang@ufl.edu">bkang@ufl.edu</a>           |
| Keyhani, Nemat   | Microbiology and Cell Science, Genetics of Microorganism                      | 392-2488     | <a href="mailto:keyhani@ufl.edu">keyhani@ufl.edu</a>       |
| Kima, Peter  | Microbiology and Cell Science, Parasitology                                   | 392-0384     | <a href="mailto:pkima@ufl.edu">pkima@ufl.edu</a>           |
| Kolaczkowski, Bryan  | Microbiology and Cell Science, Computational Biology                          | 392-5925     | <a href="mailto:bryank@ufl.edu">bryank@ufl.edu</a>         |
| Larkin, Joe  | Microbiology and Cell Science, Immunology                                     | 392-0384     | <a href="mailto:larkin@ufl.edu">larkin@ufl.edu</a>         |
| Lorca, Graciela  | Microbiology and Cell Science Genetics Institute                              | 273-8090     | <a href="mailto:glorca@ufl.edu">glorca@ufl.edu</a>         |
| Maupin-Furlow, Julie   | Microbiology and Cell Science, Prokaryotic Cell Structure                     | 392-4095     | <a href="mailto:jmaupin@ufl.edu">jmaupin@ufl.edu</a>       |
| Mou,   | Microbiology and Cell Science,  | 392-0116     | <a href="mailto:zhlmou@ufl.edu">zhlmou@ufl.edu</a>         |

|                  |   |              |                  |
|------------------|---|--------------|------------------|
| Zhonglin         | Eukaryotic Cell Structure   |              | edu              |
| Nicholson, Wayne | Microbiology and Cell Science Kennedy Space Center, Astrobiology    | 321-861-3497 | wln@ufl.edu      |
| Oli, Monika      | Microbiology and Cell Science, Microbiology Labs                    | 392-8434     | moli@ufl.edu     |
| Preston, James   | Microbiology and Cell Science Kennedy Space Center,                 | 392-5923     | preston@ufl.edu  |
| Rice, Kelly      | Microbiology and Cell Science, Advanced Lab, Molecular Microbiology | 392 – 5922   | kcrice@ufl.edu   |
| Romeo, Tony      | Microbiology and Cell Science, Bacterial physiology and regulation  | 392-2400     | tromeo@ufl.edu   |
| Shanmugam, K.T.  | Microbiology and Cell Science, Microbial Genetics Lab               | 392-2489     | shan@ufl.edu     |
| Triplett, Eric   | Microbiology and Cell Science, Genomic Sequencing                   | 392-5430     | ewt@ufl.edu      |
| Wang, Nian       | Microbiology and Cell Science Lake Alfred, FL                       | 863-956-1151 | nianwang@ufl.edu |

| <b>Faculty Members – Other UF Departments:</b> |                                    |                    |                            |
|--|------------------------------------|--------------------|----------------------------|
| Agbandje-Mckenna, Mavis                        | Biochemistry and Molecular Biology | 392-5694           | mckenna@ufl.edu            |
| Allen, Charles                                 | Biochemistry and Molecular Biology | 392-3366           | calleu@biochem.med.ufl.edu |
| Allred, David                                  | Infectious Disease & Pathology     | 392-2239           | allredd@vetmed.ufl.edu     |
| Anderson, Kevin                                | Anatomy and Neurobiology           | 392-4700 Ext. 3858 | kanders@ufbi.ufl.edu       |
| Angerhofer, Alex                               | Chemistry                          | 846-3281           | mailto:alex@chem.ufl.edu   |
| Antonelli, Patrick                             | Otolaryngology                     | 392-4461           | antonpj@ent.ufl.edu        |

|                          |                                     |  |
